NARRATIVE TRACKS

- FAIRYTALE BEGINS 1:06 / 100 BPM

Emotional opening with intro moving into melodic vocal flourish at 01:14. Introduces the **intro motif** of innocence and wonder.

- CALL TO ADVENTURE 3:22 / 90 BPM

A mix of uncertain logging and pull - hero searches for his path. Introduces the opportunity for repetition in Inner Loop. Development parts centers on **main hero motif** and moves into resolve and sense of mission.

INTRO LAYER

INNER LOOP

DEVELOPEMENT

- HEROISM 1:53 / 115 BPM

Opening with **intro motif**, it quickly expands into grand and majestic representation of the **main hero motif**. Standing on clear piercing vocals, this theme represents the sense of heroic will and triumph.

- DRAMATIC MOMENT 0:29 / 115 BPM

Emotional opening with intro moving into melodic vocal flourish at 01:14. Introduces the intro motif of innocence and wonder.

- MAIN MENU LOOP 2:04/ 100 BPM

A lightweight loopable version of Fairytale Begins, repeating same melodic **intro motif** on distant piano and vocals. At 01:15 introduces the **main hero motif**.

- MELANCHOLY 2:23/ 90 BPM

A shifted melancholic version of the **main hero motif**. Establishes atmosphere of loss and sadness.

- CREEPING DANGER 0:44/ 150 BPM

Opening with intro motif, it quickly expands into grand and majestic representation of the main hero motif. Standing on clear piercing vocals, this theme represents the sense of heroic will and triumph.

- CALM CREDITS 1:06/ 100 BPM

A finishing touch, nostalgic representation of **main hero motif** containing the final resolution of this music pack.

EXPLORATION/ACTION LOOPS

- CASUAL LOOP 2:24 / 75 BPM + ACTION LAYERS

A calm and serene exploration. Background cellos and harp establishes unobtrusive sense of harmony. The action, centered on guitar, tambourine and saxophone, provides a subtle approach to action filled with jolly a charm. Outright the most positive exploration/action.

- MELANCHOLIC LOOP 2:47 / 70 BPM + ACTION LAYERS

Keeping similar instrumentation to the Casual loop, this exploration offers sense of tension, weight and unease. The action layer provides sense of uncertain and dangerous fate.

- ARCAN E LOOP 2:25/ UNSTABLE BPM + ACTION LAYERS

With tempo flowing and changing like waves, this exploration is meant to accompany strange and chaotic places of supernatural laws. The action layer provides a sense of grandeur that conform to its own rules.

- PLAYFUL LOOP 2:49 / 100 BPM + ACTION LAYERS

Wandering and adventurous exploration with an optional rhythmic harp layer that adds momentum. The action section retains its positive melody while introducing tension and a sense of grandeur for the quest ahead.

EXPLORATION/ACTION LOOPS

- DESOLATION LOOP ... 2:07 / 90 BPM + ACTION LAYERS

Designed for wastelands and grey ruins, this exploration provides sense of distance and elegiac atmosphere. The action centers on facing obstacles and undertaking an adventure.

- CORRUPTION LOOP ... 1:33/ 80 BPM + ACTION LAYERS

A twisted evolution of the main hero motif, this track provides the main antagonistic force of the whole soundtrack. The action layer provides a feeling akin to a devil dancing to a violin.

BOSSFIGHT MULTI-PHASE LOOPS

- STRUGGLE AND TRIUMPH 3:34 / 120 BPM

A generalistic bossfight theme, centered on a duality between percussive tensions and the **main hero motif** trying to overcome it. Provides three distinct loopable phases.

BOSSFIGHT MULTI-PHASE LOOPS

- **FACING CORRUPTION ... 4:45 / 130 - 150 BPM**

An emotional climax of the whole soundtrack, this bossfight track is suited for the final clash between the hero and the main villain. Instead of brutish evil, this music is meant to provide emotional and sacred gravity to the conflict between good and evil. For more detailed work on cinematics (etc.) 3rd loop is also provided as separated subloops for more precise control over reaching the climax.resolution.

Optional Subloop variations for emotional interactivity. No Percussions under the “Emotions” subloops
